I agree to pay any water, sewer, and refuse bills and damage bills for the water meter located on this premises until canceled. Further, I will maintain access to all meters and service connections for meter reading and maintenance. I also agree to pay in full all previous balances on billings due to the water, sewer, and refuse departments. Neglect or refusal for the above shall be cause for discontinuance of the utility service. I authorize the water, sewer, and refuse service to be established in the above name at this address, and I agree to pay for all services until canceled at my request. I further understand that falsification of the information on this application will result in termination of water service. **PLEASE NOTE:** Application for water service at the service address provided above will not automatically disconnect service elsewhere

**FOR BUSINESSES ONLY:**

If the service is for business purposes, the business and the individual signing below shall individually and/or jointly be held responsible for the payment of any water, sewer, and refuse bills and damage bills for the water meter located on the premises, and all other terms and conditions contained herein.

In this regard, the individual signing this application for the business will guarantee any debt related to any of the above services. If the business does not pay the bill or debt, you will have to. You may have to pay up to the full amount of the unpaid bill or debt if the business does not pay. You may also have to pay late fees or collection costs, which increase the amount. The Weirton Area Water Board can collect this debt from you without first trying to collect from the business. The Weirton Area Water Board can use the same collection methods against you that can be used against the business. If this unpaid bill or debt is ever in default, that fact may become a part of your credit record.
