Brief Description of Project

--

Asbestos/Lead Abatement and Removal Statement: As owner or authorized agent of the owner, I understand that the State of West Virginia has laws regulating the inspection and abatement of asbestos and lead containing materials, and that I am responsible for the abatement of such material prior to remodeling, demolition, removing any building material of a structure, including siding and roofing as per state law.

Initial: _____

Electrical Service Statement: As owner or authorized agent of the owner, I understand that the power company has regulations governing meter and service attachment locations, and that I will consult with a power company representative for these locations.

Initial: _____

Pools/Spa/Hot Tub Statement: As owner or authorized agent of the owner, I understand that the State of West Virginia has adopted laws governing such installations, including fencing, self-closing and latching gates, and alarms on exterior doors entering the pool area, and I will install or modify the pool, spa, or hot tub to meet such state laws.

Initial: _____

Earth Disturbance Statement: As owner or authorized agent of the owner, I understand that before digging or otherwise disturbing the Earth, I will use the free notification service and call 1-800-245-4848 to notify any buried facility owners.

Initial: _____

Authorized Agent Statement: I hereby certify that the work is authorized by the owner of record, and that I have been authorized by the owner to make this application as his/her authorized agent, and we agree to conform to all applicable laws of this jurisdiction, and all information is true and I hereby acknowledge that there are required inspections for permits and it is my responsibility to contact the City of Weirton for the required inspections.
